A report was given. No motion required.

JIM DiFIORE, Manager of Business Services, reported that conditions were placed on this license, one of those was a 90-day review. Inspections revealed that security was being provided and only three calls for service were received. Staff is satisfied with the compliance of the owners. This is a report pending the full six-month review.

The applicants were present and requested a reduction in the hours security is required to be provided. MAYOR GOODMAN urged the applicants to speak with MR. DiFIORE in anticipation of the next review.
